BELARUS

"Good morning" in Belarusian is "Dobrye praxi".

The republic of Belarus is situated in the center of Europe. The capital is Minsk. Belarus borders on Russia, Poland, Lithuania, Latvia and Ukraine. Its present population is about 10 million people.

In Belarus, it's rainy and windy in spring and autumn. They have snow and it's cold in winter. In Belarus, it's sunny and warm in summer.

A big part of the national Belarusian cuisine is dishes made from potatoes, cabbage, kielbasa, babski, etc. In Belarus, potatoes are called "kartofel", cabbage - "kapusta", kielbasa - "kybyski".

The Belarusian cuisine is a variety of meat (kybyski - it is also rich in fish dishes, etc.) all sorts of homemade sausage and in Belarus there are over 20 thousand rivers and lakes.

Common dairy products included curd cheese (made of cow and goat milk), sour cream (smetana) and butter. Milk is the regular ingredient in many Belarusian recipes, including all kinds of soups, cereals, sauces.

Με πολύ ενθουσιασμό και μεράκι μαθητές των Ε και ΣΤ τάξεων δημιούργησαν μια εργασία (project) σχετικά με την Ευρωπαϊκή μέρα Γλωσσών. Επέλεξαν μια χώρα της Ευρώπης και μας παρουσίασαν πληροφορίες σχετικά με αυτή τη χώρα στα αγγλικά, μετά από την καθοδήγηση της δασκάλας Αγγλικών. Επίσης μάθαμε να λέμε «καλημέρα» σε κάθε μία από αυτές τις γλώσσες. Well done!!
